

St Ignatius Church – San Francisco
Worship Commission Minutes
Meeting of June 7, 2006

Attending

Kevin Boden, Phyllis Bonocore, Rose Casserly, Diane Del Chiaro, Reed Minuth, Michelle Rios, Nick Rocchio (presiding), and Don Crean (staff).

Ordinary Business

- Nick Rocchio called the meeting to order at 6:00pm.
- Opening prayer by Michelle Rios.
- Reed Minuth took notes.
- Note that the minutes from the May meeting were not prepared, so there was no formal acceptance of the previous minutes.
- The July meeting is canceled and the August meeting is scheduled for August 9th.

Worship Commission Membership

- Vicki Siu will have a heavy teaching load next year, and she must resign from this committee. Due to normal turnover, it will be necessary for the Chairman, Stephen St. Marie, and others to develop new members.

Proposed Music Subcommittee

- Don Crean indicated that Fr. Gagan has requested that there be a Music Advisory Committee to help evaluate and criticize the music program and offer policy suggestions to him. The Committee should be composed of members of the choirs, members of the worship commission, and relevant staff.
- It will be necessary to confer with staff about the committee and its purpose.
- The Music Advisory Committee will be associated with the Worship Commission.

Sound System Ministry

- Kevin Boden reported that there will be lector workshops this weekend.
- There will be continuous post-mass reviews with the lectors over the next few weeks to cover the full cycle of lectors.
- Recruitment of people to monitor the sound and to learn to operate the sound monitor will begin in the summer.

Respectfully submitted,
Reed Minuth
